JHARKHAND MINING & INFRASTRUCTURE SHOW 2024

UNLOCKING POTENTIAL, SHAPING SUCCESS

About Jharkhand Mining & Construction Show

Jharkhand Mining & Construction Show is the an national & internationally trade show servicing the mining & mineral extraction and Infrastructure industry.

As a business platform, the exhibition connects equipment and technology manufacturers with buyers from National & international mining companies, mineral processors, Infrastructure, construction Equipment's. earthmoving machinery and wholesalers interested in buying the latest mining & Infrastructure solutions. Jharkhand is rich in mineral resources such as coal (27.3% of India's reserves), iron ore (26% of India's reserves), copper ore (18.5% of India's reserves), uranium, mica, bauxite, granite, limestone, silver, graphite, magnetite, and dolomite. Jharkhand is the only state in India to produce coking coal, uranium, and pyrite. With 26% of the total iron ore (hematite) reserves, Jharkhand ranks second among the states. The state's industries enjoy a unique location- specific advantage as it is close to the vast market of eastern India. It is closer to the ports of Kolkata, Haldia, and Paradip which helps in the transportation of minerals.

Message

It gives me immense pleasure to know that the Jharkhand Mining and Infrastructure Show-2024 and Bharat Steel Show-2024, jointly organized by Olampia Exhibition Pvt. Ltd. and Laghu Udyog Bharti, are scheduled from 20th to 22nd September 2024.

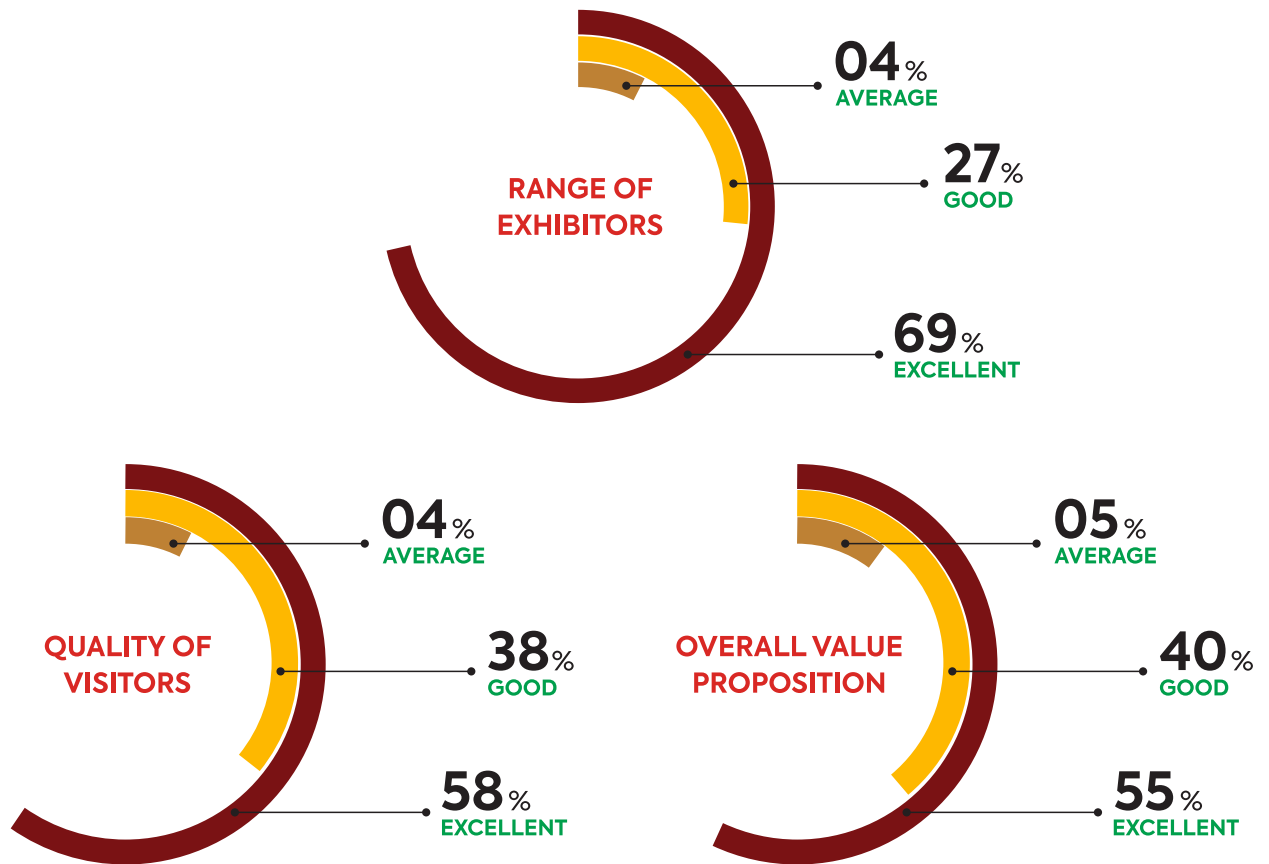

This event will not only highlight Jharkhand's industrial and mining prowess but also play a vital role in contributing to both the national and global industrial landscape.

The State of Jharkhand, known for its rich mineral resources and robust industrial infrastructure, is poised to set new milestones through this event. I am confident it will create new investment opportunities and provide a significant platform for stakeholders in the industry to showcase their potential.

I extend my best wishes to the organizers, participants and everyone involved in making this event a grand success. May this event mark a significant step forward in nation's industrial development.

(Santosh Kumar Gangwar)
